- Rounding to the nearest whole number
- Adding & Subtracting multi-digit numbers with decimals to the hundredths place
- Solving word problems
- Ordering numbers

 Click & go! One optional page to print

 Escape Time ~45-60 minutes

 Best used in pairs or small groups

 Requires internet connected device

 Self-Checking

 Virtual or in-person

 Five + Engaging Puzzles

How it Works - Digital:

- The escape room is automated by a Google Form™ (Google™ accounts are not required).
- Use the quick start link to click & go, or create a copy of the form to save to your drive (the teacher must have a Google™ account to save a copy).
- Students only progress through the puzzles when correct answers are entered.
- The form provides hints if students enter incorrect answers.

How it Works - Print:

- **Six black-and-white printable puzzles**
 - **Low prep!**
 - **Print the six clues, intro, and success page**
 - **Give students the intro and clue 1 to begin**
 - **When students solve a clue, they bring the answer to you.**
 - **If the answer is correct, give the next clue.**
 - **Continue until students solve the final clue.**
 - **Use individually, in pairs, in small groups, or as a whole class.**
 - **Great for centers!**
-
